

G&R LTD REF: 22.00	GAWNE & ROBERTS Construction LTD
REV:	
DATE:	ENVIRONMENTAL POLICY STATEMENT
ISSUE: 4	
REVISION:	

Gawne & Roberts Construction Ltd is a professional and environmentally conscious Company, which acknowledges the impact that our operations may potentially have on the environment. The clear objective of Gawne & Roberts Construction Ltd is to minimise any impact of the environment

The Directors accept the responsibility to develop a strategy and maintain a documented system, which ensures compliance with relevant environmental legislation and the requirements of ISO 14001.

It shall be the responsibility of the Managing Director to lead the company towards achievement and maintenance of a conscious, forward thinking policy which shall be proactive rather than reactive in line with accepted standards and consistent with Gawne and Roberts Construction Ltd Quality Management and Health & Safety systems.

The day-to-day management of the policy is assigned to the Managing Director. It will not exclude the consideration, care and attention of all employees.

All employees and subcontractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management.

Gawne and Roberts Construction Ltd are committed to continuous improvement in respect of minimisation of pollutants and waste generation pertinent to our business. This will be achieved through ongoing review of the nature, scale and environmental impact of our process and by objective and target setting.

Gawne and Roberts Construction Ltd shall make every effort to minimise environmental aspects in the development of its future business by the application of its "Eliminate", "Reduce", "Re-Use", "Recycle", "Dispose" policy and in order to conserve natural resources. All Gawne & Roberts Construction sites will adopt the legislation for Site Waste Management, regardless of project value

The policy shall be made available to our customers, suppliers, contractors and other interested parties.

The operation of this policy will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the Company's activities. This policy has been endorsed by the board of directors which give its full support to its implementation.
